

**Nazarene World Week of Prayer – February 28 – March 6, 2010**  
**Eurasia Region Requests**

1. Please pray for the leadership of Eastern Mediterranean Field Nazarene Bible College and for this year's summer intensive classes. Four courses will be offered during July.
2. Pray for the Eastern Mediterranean Field Nazarene Bible College Board as they continue the search for a new president.
3. Please intercede for the new School of Discipleship offered in a secured access area. More than 20 people attended the first eight lessons of the school. Please pray that the school continues to develop.
4. Pray that the region's Nazarene primary and secondary schools will be able to remain open and will continue to serve their communities. Financial challenges have affected them, and prayer is needed to maintain these centers of child development.
5. Pray for the national pastors and leaders of the Southeastern Europe Field (Albania, Bulgaria, Kosovo, Romania, and Slovenia), that God would give them wisdom and strength as they guide the church in their areas.
6. Pray for students preparing for ministry through theological education in the Southeastern Europe Field.
